**Welcome to our Spring 2020 newsletter.  
We hope you and your families are staying safe in these challenging times.**

We have a very exciting line up of 2 year old and 18 month old bulls to offer for sale this Spring. We will be sending weekly updates over the next month to give you the latest information leading up to our three Bull Inspection Days and Bull Sale, working with Covid protocols to ensure we have a safe environment for our team and clients visiting Weeran Angus.

We are working closely with the VFF to implement these guidelines.

We are running three Bull Inspection Days on Tuesday 1st, Wednesday 2nd and Thursday 3rd September, from 10am – 4pm. This will enable everybody to make an appointment to inspect the bulls, and you will then have the choice to attend the sale, organise an agent to purchase on your behalf, or purchase on line in the comfort of your own home. Our bull sale auction will be run on property and online with Elite Livestock. An online tutorial video on how to register with Elite Livestock can be found by clicking [here](#). Further details of this will be well publicised as we get closer to the date. The below Covid-19 Declaration will need to be filled out by everybody attending our property.

Every bull will be videoed and photographed over the next two weeks and available to view online. Bull sale catalogues will be emailed (in low res format) to everybody, along with being on line with Angus Australia and Elite Livestock and [www.weeranangus.com.au](http://www.weeranangus.com.au) along with being mailed out. We will also keep updating our Facebook and Instagram pages with all the information.

Please contact Jo on 0429 787258 if you would like any additional information.

Stay safe and keep well!

Kind regards,  
Alec & Jo and the Weeran Team!
